## Serving Out of Love, Not Obligation

Mark 10:45 says, "For even the Son of Man did not come to be served, but to serve and to give his life and to give his life as a ransom for many." I am certain that many of you reading this have read this passage many times. I believe that we all on an intellectual level understand what it means to serve, but do we understand what it means to serve others out of pure love and not because we are obligated to do so?

## Mission Trip-July 23rd-28th

**Missions trip to North Bennington, Vermont.** We will be participating with an organization called World Changers, which is a Christian based organization that provides youth with opportunities to meet the physical and spiritual needs of others through practical learning

experiences that teach servant-hood and personal commitment to missions. We will be housed in a local Church, school, or College facility. Breakfast and dinner are provided cafeteria style in the lodging site and lunch is provided at the actual site. This trip is open to all students in High

School (9-12). The cost is \$300 per student. If cost is a concern you can see me personally and we can discuss some options.

\*We will be discussing more details at the parent meeting on March 4th, immediately after Bible Study.
